What to Know if You See Snow?

Now that the weather is changing, here are some helpful hints and reminders courtesy of Howard County's Department of Public Works:

Getting Plowed In

Tired of getting snowed in by the snow plows? If possible, wait to shovel the end of your driveway until the plows pass. Or try clearing a "pocket" next to your driveway along the shoulder or curb – about the length of a parking space – ahead of your driveway. When the plow passes, the angle of the snow blade will naturally dump most of the load in the pocket instead of your driveway.

Cars Parked on Public Streets

Parked cars are one of the biggest challenges of our snow crews. County residential streets are plowed one time per snowstorm. Once the county crews clear the snow off your street, they will not return to plow your street a second time. Please park your cars in driveways and off public streets so plows can clear as much snow as possible.

Cars Parked in Cul-de-Sacs

County truck drivers cannot safely push the snow in cul-de-sacs where cars are parked. Rather than risk damaging county or private vehicles, the driver will leave and come back later after he finishes the rest of his route.

Guard Against Flooding

Uncover and clear area around fire hydrants and storm drain inlets. If snow melts and rainwater can't flow away, it could cause street icing and basement flooding. After large snow storms, water main breaks may occur. If you see large volumes of water flowing down the street, it could be a water main break. This should be reported to the Bureau of Utilities at 410-313-4900, which is available 7 days a week, 24 hours a day.

Clearing Your Sidewalks

"It is the duty and obligation of the owner of property abutting a sidewalk in a public right-of-way to remove snow from the sidewalk within 48 hours after the snow has fallen." (Howard County Code, Section 18.402(h)). If you are willing to help remove snow for seniors or physically disabled individuals in your neighborhood, please call the Office on Aging – Maryland Access Point at 410-313-5980 to volunteer for the Snow Patrol Program. Your thoughtfulness can make a big difference to someone who might otherwise be unable to cope. If you need assistance with snow removal and are 60 or older, or younger than 60 with a physical disability, and a resident of Howard County, you may register as a Snow Patrol client. New clients are put on a waiting list and are contacted only if a Snow Patrol volunteer in his/her area becomes available. To register as a client, call 410-313-5980.

Did It Snow On...

"Trash" Day? If it snows on your trash day, put your trash out for collection as usual – before 6am. If trash collection has been canceled for the day, the trash contractors will pick up trash the next work day if roads are passable.

"Recycling" Day? If it snows on your Recycling day, and recycling has been canceled for the day, recycled will be picked up the following week. To find out if trash or cycling collections were canceled for the day, call 410-313-SORT (7678).

Please be patient...

Avoid Healthcare Scams!

The Howard County Department of Citizen Services is warning both Medicare recipients and residents who qualify for health coverage through the new health care exchanges of misleading and sometimes illegal offers of help that are cropping up in Howard County. The Department has already received several reports of misleading and illegal conduct related to both Medicare open enrollment and enrollment for health coverage under the federal Affordable Care Act.

The Office on Aging's "Avoiding Medicare Scams and Frauds" fact sheet, available at www.howardcountymd.gov/avoidmedicarefraud.htm, provides info on this and other Medicare provisions designed to protect consumers from misleading sales practices. Consumers can also call the County's State Health Insurance Assistance Program (SHIP) office at 410-313-7392 to report suspicious health insurance offers and/or to receive free and unbiased help in deciding what, if any, supplemental insurance programs are right for them.

In addition, the County's Office of Consumer Affairs recently received an e-mail from an insurance agent offering to help people "obtain affordable health insurance." The e-mail, however, implied that unless consumers sign up for coverage by January 1, 2014 they will be charged a penalty. In fact, penalties will not be assessed until the end of the enrollment period on March 31, 2014. Certified navigators are prohibited from charging for their services and from offering private insurance products while helping clients enroll with an exchange.

The Office of Consumer Affairs' "Avoiding ID Theft and Fraud in the New Health Insurance Marketplace" fact sheet, available at www.howardcountymd.gov/avoidIDtheftfraud.htm, provides consumers with tips on avoiding scams and dispels misconceptions people may have about obtaining coverage from the Maryland health exchanges. Consumers who receive suspicious offers of help to enroll in the exchanges can contact the Office of Consumer Affairs at 410-313-6420.

Give the Gift of Independence!

Neighbor Ride launched its volunteer-based transportation service in 2004 with the mission to decrease isolation and improve the quality of life for Howard County's older residents. Today, its dedicated volunteers provide an average of 1,000 trips per month for medical appointments, shopping, social outings, personal care and business, religious services, volunteer activities and other day-to-day needs.

YOU can give seniors the gift of independence by volunteering as a Neighbor Ride driver. Flexible and rewarding daytime, evening and weekend opportunities are available. No set schedule is required. Drivers simply choose to provide rides that are convenient to their homes, offices and daily routines. Parent volunteers are welcome and encouraged to bring their children along for a wonderful experience. Please contact **Patrice Cerwonka, Colleen Konstanzer or Rosemary Noble** at 410-884-RIDE (7433) or email volunteer@neighborride.org for more information.
